The largest company in Portugal with bases and offices all across the Algarve.

We have worked with AJ for over 25 years, with their first office in Albufeira, and still their head office. They offer unrivalled support facilities across the Algarve, their fleet is modern and well maintained, their staff very helpful. You will find cheaper car hire companies, but our experience of over 30 years, tells us that it is better to have a quality car, airport service, and fast support when needed, or your holiday can very quickly be spoiled.

- **FULL COVER 100%** Our Prices include FULL excess waiver, in fact, when booked with us,
- **you do not have to leave any deposit or credit card** against the insurance, unlike every other company.
- You do not need to take any other insurances offered ( eg Personal accident) if you have holiday insurance.
- You do NOT need to check for dents and bumps on the car on delivery, or on return, saving time and stress at the start and end of your holiday.
- You are not liable for damage caused to the car by third parties, eg parking lots, beach parks, break in etc.
- NB if there is an accident, for which you are judged culpable, Auto Jardim may elect to cancel the remainder of the booking without any refund. You will not, however, be liable for your own or third party damages.

Whats NOT included in your car rental price... ie the 'not so fine print' in short,full details are on the car contract

- EXTRA DRIVERS, one driver per car is included. Extra drivers are payable on collection and you will pay direct to the company €19 per extra driver. Each driver needs a valid driving license. You can add a driver at any time, but they MUST be put on the contract by Auto Jardim, and paid for, or the insurance is invalidated.
- PETROL DEPOSIT Each model has a specified deposit, from €100 and upwards, by cash credit card ( sterling or Euros), credit card. This is paid to Auto Jardim on collection of the car, and the tank will be full. If you return the car full, this will be refunded, or the slip returned to you. Auto Jardim may calculate any partial tank costs and deduct this at their absolute discretion.
- BABY CAPSULES/SEATS These are charged at €4 per day ( max €84 per rental), and should be prebooked. This is payable direct to Auto Jardim on collection. To prebook please advise of the size, age and weight of the child. Booster seats available, but it may be easier to bring them.
- MOTORWAY TOLLS This is uncertain at present, as they are not yet in force, and you should ask at collection what the situation will be. We hope that there will be day/week/fornightly tickets available, but logic does not always apply and you may have to rent or purchase an electronic tag.
